

Funding Program Cheat Sheet

The Funding Program Cheat Sheet provides a brief overview of funding program groups available to customers through the Business Finance Suite and Direct Funding program. Funding qualification is based on having one “C” of Cash flow, good personal Credit from the customer or a guarantor, or Collateral. If you or your customer has one of these “C” s, there’s a good possibility you may qualify for a business loan or line of credit. This cheat sheet includes details on funding programs, rates and terms, important details, and deal submission requirements.
