

Small Business Loans Simplified

We make it easy for you to secure a small business loan based on your business strengths. Less than 2% of business loans come from conventional banks. This is because in today's economy most business loans are obtained through alternative financing, meaning it's now easier than ever for you to be approved.

- ▶ Access to over 2,000 lenders... to insure you get money at the best terms
- ▶ Over 30 funding programs available... means you can get more money than you'll ever one with just one source
- ▶ Rates are as low as 2%... our collateral-based loan programs offer you the lowest interest rates available with business financing
- ▶ Fast closings, get your money in as little as 72 hours... our fast funding program helps you get money in your bank account in 3 days or less
- ▶ Bad credit, no problem... if your business has cash flow of \$10,000 or more monthly OR collateral, you can get approved for business financing even with personal credit issues
- ▶ No doc funding... even if you have no cash flow or collateral, if you have good personal credit you can still qualify for our no doc funding even if you are a startup and have no tax returns
- ▶ Build your business credit... even if you can't qualify now for a business loan, you can still get business credit for your company right away
- ▶ Certified finance officers build your business blueprint... you have your own finance expert who works to get you the most funding at the best terms
